66, Mira avenue, 720044, Bishkek city, Kyrgyz Republic, Tel.: (00996 312) 545125 (rector), Fax: (00996 312) 545162, E - mail: rector@ktu.aknet.kg

Head of International Connections Department, PhD, Marat CHECHEIBAEV,
E - mail: maratch47@mail.ru, Tel. : (00996 312) 547759, Fax: (00996 312) 545162,

Participation KSTU in projects of program:

" PUS":

1. Compact Project "Development of International Office of KTU" (Tempus –Tacis UB CP-20598-1999);
2. Joint Project "Modernization of University library" (Tempus -Tacis UM-JEP-22042-2001);
3. Joint Project "Resource Sharing Network of Academic and Research Libraries of Kyrgyzstan (KYR-LIB-NET)" (JEP_ 26219_ 2005);
4. SCM Project "Transferring of quality management models in KSTU functions and processes" (SCM T 078A06-KYR);
5. 158677-TEMPUS-1-2009-1-DE-TEMPUS-JPCR "Higher Education Initiative for Informatics in Central Asia";
6. 159025-TEMPUS-1-2009-1-FR-TEMPUS-JPCR "Reseau Europe-Russie-Asie Centrale de Masters Informatique Seconde Compétence";
7. 158982-TEMPUS-1-2009-1-ES-TEMPUS-JPCR "Towards Sustainable Water Resources Management in Central Asia"
8. 511172-TEMPUS-1-2010-1-DE-TEMPUS-JPCR "Curriculum Invoking Bologna-aligned Education Leading to reform in Environmental Studies".

"ERASMUS MUNDUS":

1. "Credit Transfer in Virtual and Distance Education";
2. "Transfer of Appropriate Requirements for Global Education and Technology";
3. "Mobility Academic Network between UA and Central Asia"

Proposals for participation on Program "TEMPUS-4"(4th CALL)

KSTU invite you to take part in preparation of the applications, as the coordinator (or the partner) from EU, under the following projects (with the approximate names):

1. Interregional SMGR project "Ensuring of a legal basis for democratization of government and management by universities" (a regional priorities - Management of university and Student's services);

4. Regional SMHES project "Creation of common structure of qualifications for bachelors and masters in Central Asia (on engineering directions) (a regional priority - Qualifications frameworks);
5. Regional (or interregional) JPCR project "Creation joint program "Energy saving" (or "Electric power industry") in the Central Asia" (a priority - Modernization of curriculums on a regional disciplines - Energy);
6. Interregional JPCR project «Creation joint PhD programs "Economics (or Business Studies)" » (priority - Modernization of curriculums (on national disciplines: Business Studies, Economics, and regional discipline – Business and entrepreneurship);

7. Interregional JPCR project «Creation joint programs “Food Science and Technology” (“Technology of foodstuffs”) (priority - Modernization of curriculums (on national disciplines: Agriculture Sciences, Engineering and Technology, Engineering of food industry, Agriculture, Food Science, Agriculture and Food (Rural) Development);
8. Interregional (or regional) SMHES project “Strengthening of partnership between Universities and enterprises in the field of Technology of foodstuffs” (regional priorities: Development of partnership with the enterprises, Knowledge triangle: education-innovation-research);
9. Interregional (or regional) SMGR project “Creation of a network of departments of international contacts of Universities for advancement of Bologna process” (regional priorities: Development of international relations);
10. Interregional JPCR project “Economics as the second competence for the engineers” (on national disciplines: Business Studies, Economics, Economy, Economic Sciences and regional discipline – Business and entrepreneurship);

Proposals for participation on Program “ERASMUS MUNDUS”:

ACTION 1

KSTU is ready to take part in preparation master courses: Energy saving, Telecommunications, Informatics, Electric power industry, Safety of foodstuff, Technology of foodstuffs, Economics as the second competence for the engineers, Business Studies with Technologies, Design (Graphic Design, Fashion, Textile) and PhD courses: Economics, Informatics, Computer Sciences, Telecommunications, Technology of foodstuffs, Design.

ACTION 2

KSTU is ready to take part in preparation of the applications with fields of study for Lot 9.

ACTION 3

1. Modernization of sites of Universities Central Asia for advancement of the European Higher Education.

University is ready to changes and additions in these proposals and to discussion of your proposals under programs: FR7, TEMPUS, and ERASMUS MUNDUS.

University has stable contacts with many Universities in Central Asia and other regions to prepare joint applications for projects on program “TEMPUS” and “ERASMUS MUNDUS”.

Proposals reflect opportunities of University in a finding of partners and giving of information is necessary to prepare the application.

PRESENTATION of KSTU

Kyrgyz State Technical University (KSTU) is the oldest technical University in Kyrgyz Republic. 5 Institutes (2 of which is in region of Kyrgyzstan), 8 faculties (2 of which is in region), Telecommunication Department (joint stock company “Kyrgyztelecom” and KSTU are founders), Kyrgyz-Kazakh Joint Distance Education Center, 5 scientific- research institutes are in University.

More 19 600 students (including 1067 foreign students) study by use innovation technologies on educational programs: 26 directions of bachelor, 14 directions of master, and 75 specialties with higher vocational education. It is using module and credit-systems of education; there is training on English and Dutch languages in special groups.

Faculties: Power Energy Faculty, Kyrgyz-German Technical Faculty, Faculty of Information Technologies, Faculty “Moscow Power Institute (MPI)-KSTU”, Technological faculty, Faculty of Transport and Machine Construction

Educational Institutes: Institute of Management and Business, Institute of distance education and increasing of qualifications, Institute of Mining and Mountain Technologies.

Departments and Centers: Telecommunications Department, Kyrgyz-Kazakh Joint Educational Center of Education on Distance, Department of the secondary vocational education
