### Short discription

K.Tynystanov Issyk-Kul State University is the biggest Higher Educational Institution in Issyk-Kul region. Since it has been established IKSU is considered to be the intellectual vanguard of Issyk-Kul region and the “smithy” of pedagogical and scientific professional community.

**History.** In 1940 the biennial Teacher`s Institute was opened in Karakol containing 150 students. It was the fourth Higher Educational Institution in Kyrgyzstan (after medical, pedagogical and agricultural institution). During the World War II Pedagogical Institute in Frunze moved to Przhevalsk and the Ship building Institute in Leningrad has also been evacuated here. The well-known scientists of Kyrgyzia and USSR arrived to Przhevalsk. In 1944, the name of G.Dimitrov was given to the institute. In 1953 there has been opened the Przhevalsk Pedagogical Institute on the base of that Teacher`s Institute. In 1988, the Przhevalsk Pedagogical Institute has become the branch of Kyrgyz State University. In 1992 the Karakol Branch of KSU becomes the self dependant ( separate) University and was given the name of the first Kyrgyz linguist , the educator and Public figure Kasym Tynystanov.

**Structure.** K.Tynystanov Issyk-Kul State University has one Institute of Economics and Management; 8 faculties such as: Physical-Technical, Russian philology and foreign languages, Pedagogy, Kyrgyz philology and journalism, Mathematics and computer sciences, Environmental Sciences and tourism, Art and culture. 39 chairs are in function now. There are more than 36 specialties and 2 directions of bachelor degree. The teacher`s staff of the University consists of a great amount of highly educated and qualified teachers. The total amount of students is 6710. Besides 7 educational buildings and a student`s hotel. The scientific library is equipped with modern technology, connected to the internet and gives the opportunity to work on electronic-library, electronic catalog and contains the rich scientific literature.

**International relations:** For the last 15 years the staff of the university has been taking an active part in international educational and grant programs financed by Soros Kyrgyzstan Fund, TEMPUS, Global Economic Fund, SIDA, Peace Corps, IREX, PEAKS, USAID, OUN, French and German Embassies, JICA, Eurasia Pacific Uninet, NGO Miliecontact International, and Erasmus Mundus External Cooperation Window lot 9. The number of students who are being trained abroad is also increasing. During the last two years 40 students have studied and had practice in different European and Asian countries. Besides, the university hosts the foreign volunteers, professors and students from other countries such as: Turkey, Russia, China, Pakistan, Korea, Check Republic, Poland and Central Asia on different programs.

K.Tynystanov Issyk-Kul State University intends to make serious efforts for widening and developing ties with the colleagues from other High educational and Scientific Research Institutions at home and abroad.

Dear colleagues, we will be glad to work with you in a project consortium team. Please, inform us by e-mail, if you interested with this project proposals. We are open for continuation of our partnership. Also, we are ready to discuss your project proposals.
